

NORI COUNTRY MANAGER

Position details

Position title	Country Manager
Role	Part Time
Location	Nauru
Company overview	Positioned at the forefront of the exciting new seafloor minerals industry, Nauru Ocean Resources Inc. (NORI) is exploring for high-grade seafloor polymetallic nodule deposits containing manganese, nickel, copper and cobalt. These deposits occur 4000 to 6000 metres below sea level, and NORI has been granted exclusive rights by the International Seabed Authority to carry out exploration within its exploration area in the international seabed area between Hawaii and Mexico. NORI is sponsored by the Republic of Nauru which allows Nauru to benefit from NORI's project.
Role overview	<p>The country manager will be responsible for assisting NORI achieve and maintain its social and regulatory licenses to operate. The role will assist NORI in advocating for the development and approval of a commercially viable international regulatory framework. The role will also be responsible for developing positive and productive relationships with key stakeholders, including the Government of Nauru, regional governing bodies, the International Seabed Authority, local communities, and NGOs with an interest in NORI activities. This role will be the company's representative in Nauru and the "face" of the company. The position will be integral to ensuring there is a positive perception of NORI and the industry.</p> <p>The role is based in Nauru but will require regular international travel. The position will manage NORI's in-country engagement, participate in NORI's international communications, as well as provide strategic advice on existing and emerging issues of interest to NORI.</p> <p>The successful candidate will be a passionate, highly motivated, experienced professional with established connections in Nauru and the ability to liaise with the Government of Nauru and other key international stakeholders.</p> <p>This role offers an opportunity to join a growing company in an exciting new industry.</p>
Primary objectives of role	<ul style="list-style-type: none"> • NORI's representative in Nauru and the Pacific region • Identify issues, challenges and opportunities within Nauru and provide strategic advice to advance NORI's objectives • Establish and strengthen relationships and partnerships with key stakeholders within Nauru and the Pacific, as well as internationally • Establish and manage NORI's social and community initiatives in Nauru
Qualifications	<ul style="list-style-type: none"> • Candidates must reside in Nauru • Relevant qualification or experience working in Government Relations, Community Engagement or a technical qualification relevant to NORI's project • At least 5 years experience working with or within key stakeholder organisations • Holds or be eligible to hold a passport
Knowledge and experience	<ul style="list-style-type: none"> • Experience working in Nauru • Expert knowledge of Nauru and the stakeholders within the country that will influence NORI's project • Experience working with or within government • Established relationships with key stakeholders in Nauru and a demonstrated track record of working collaboratively to deliver value • Knowledge of or experience within the resource sector is an asset
Salary range	<ul style="list-style-type: none"> • AUD \$30,000 – AUD \$50,000 dependent on qualifications and experience
